**MOBILE LEGENDS BANG BANG SKINS AND EMOTES**

PROJECT PROPOSAL

SHERLEEN A. EGOT

3<sup>RD</sup> YEAR

## **TITLE**

### **MOBILE LEGENDS BANG BANG SKINS AND EMOTES**

## **RATIONALE**

Online games can be demanding, and players need more experience to understand the flow of the game. Not only do players require experience, but they should also have enough knowledge of the game, heroes, strategies, and the best build of items to win. Building items is the critical part of the game if you want to win a fight against your opponent; it involves buying items that can cause damage and items that can protect you from your opponent.

Not only items, and hero strategies are available in the game but also the highlight every seasons are the hero skins. Skins are designed by developers to add more thrill to the game, since skins can highly boost ones confidence and it enhances heroes attributes and stats.

This website offers MLBB skins and emotes that are available in the game. This is convenient to use since it doesn't require players to go to game to buy skins.

## **GENERAL OBJECTIVE**

- To display skins that are available in the game.
- To display emotes that are available in the game.

## **SPECIFIC OBJECTIVE**

- To list the Hero Name below the said Hero Skin
- To Display its Price
- To Display Promo Price if its available.

## **FEATURES (PARTS AND SECTIONS)**

This website offers skins and emote section where players can freely pick what skin they want to buy and later when they already decided what skins should they buy. They can click Button that says “Buy” for skins and “Join” for Competitions. This will redirect them from a form which they can fill in necessary information.

This website can:

- Display Skins and Emotes
- Display Promo and Prices
- Forms for Competitions (Located at Home Page)
- Forms for Purchasing Skin
